BUSINESS SUMMARY

Problem Solver is a proud provider of replacement office furniture parts, office seating, storage systems and much more. Keep your assets longer with replacement parts and help keep our landfills clear.

CORE COMPETENCIES

Problem Solver offers solutions for Replacement Office Furniture Parts, Office Seating, 911-24/7 Call Dispatch Intensive Use Seating, Wire Shelving, Cubicle Systems, File Cabinet Parts and more while providing cost-saving solutions for furnishing all office interiors, businesses, healthcare providers, military, places of worship, foodservice, educational and governmental institutions as well as the general public.

PAST PERFORMANCE

NASA – Assisted their Washington, DC headquarters with multiple cost saving solutions for their file cabinets (file bars, keys, dividers), Haworth cubicle systems (coat hooks) and their existing Aeron office chairs (gas cylinders, arm pads).

McDonalds – Developed a plan and provided products at the franchise level to outfit the back rooms/offices with magnetic shelves to increase storage capacity.

Goldman Sachs, NYC HQ – Helped space plan and furnish Metro Wire Security Units and Tote Boxes to house their confidential documents on multiple office floors over a multi-year rollout.

Duke University, Durham, NC – Worked with university staff to furnish their chemistry building with an assortment of 40/4 Jet Black Metal and Wooden Maple Stacking Chairs
